COMMUNITY EVENTS

JANUARY - FEBRUARY

Toilet Training 101 Class

January 10th, 5:00-6:30pm

Introductory class for caregivers that provides basic information about toilet training, increasing comfort in the restroom, using reinforcement strategies, and more. Appropriate for families who are not ready for the 2-day intensive course.

Registration required: <https://tinyurl.com/toilettrainingDDBP>

Sensory Friendly Morning at the Cincinnati Contemporary Arts Center

January 14th, 9-10am

During this event, the Museum will be made extra welcoming to more sensitive guests. Families will be able to choose from a variety of activities and do them at whatever time they feel most comfortable.

Registration Required at <https://app.gopassage.com/events/sensory-friendly-mornings-building-identities>

Sensory Saturday at the Cincinnati Art Museum

Upcoming dates: January 28th, February 25th

No registration required, email access@cincyart.org to join the mailing list

More resources available at cincinnatiartmuseum.org/access

Save the Date - Table Talk: Infants and Toddlers

Tuesday, March 7, 2023 at 7:00pm

With Drs. Kelli Dominick and Betsy Smith

ONLINE PRESENTATIONS

Available at <https://fragilex.org/blog/2022-conference-sessions>

Emotion Dysregulation in Fragile X Syndrome

Rebecca Shaffer, PsyD

This presentation focuses on the signs of emotion dysregulation in Fragile X syndrome and ways to respond including practical strategies and an Emotion Regulation Toolkit to take home.

Common Behaviors and Available Treatments Across the Lifespan

Debra Reisinger, PhD

This presentation highlights how to recognize behavioral challenges in FXS and the most common behavioral difficulties and treatment options at each developmental stage. Specific tips will be shared that families can easily implement with their children or adolescents.
